# Property Highlights

4

BHK

A well-planned home built for family life Set across 2.06 acres in Sector-56 on Golf Course Road, this 4BHK offers the kind of space a growing family genuinely needs. The development is new construction, which means modern fittings, a clean title, and the reassurance of a fresh start — no inherited wear, no unknown history. Designed to Vastu principles and offered freehold, this home gives you complete ownership and the peace of mind that comes with it. Day-to-day living is straightforward: covered parking protects your vehicles, power backup keeps things running uninterrupted, and 24/7 water supply means one less thing to think about.

# Property Overview — continued

The gated, 24/7 secured community keeps the family safe, while EV charging reflects a thoughtful, forward-looking infrastructure. The swimming pool, clubhouse, and garden give everyone something to look forward to after a long day. The metro, a nearby market, and a park all sit close by, making errands and evenings out genuinely easy. RERA approved — your investment is protected from the start. Price on request for this address in Sector-56, Gurugram.
