

WHAT IS REYAI

Complete AI Marketing for Indian Real Estate

ReyAI turns ordinary property photos into a complete marketing kit — automatically, in under 10 minutes. A cinematic AI video reel, luxury PDF brochure, ultra-HD enhanced photos, AI voiceover in 9 Indian languages, social media creatives, and a live property website with WhatsApp inquiry capture. All from a single upload.

For Indian brokers, developers, architects and interior designers — from ₹150 per reel, in minutes not days, in any Indian language.

FOUNDER

Rajat Bindal Founder, ReyAI	<i>"We built ReyAI to help agents do what they do best — close deals — without getting bogged down by content, tech, or uncertain pricing. The technology should enable, not replace, the human touch that makes real estate personal."</i>
